

Our awards

Our motivation - our commitment

SSI SCHAEFER is among the leading providers of warehouse and logistics systems worldwide. Our services range from identifying a concept to fitting out warehouses through to realising complex logistics projects as a general contractor. Quality, innovation and customer orientation form the underlying basis of our success. An expression of the ongoing, positive company progress are the awards we have received over the years:

Image Award

Best Product at LogiMAT

At CeMAT 2011, SSI Schaefer received the MM Logistik Award for its SSI Order Verifier. This system for automatic control and documentation of outgoing orders impresses with speed and utmost accuracy. The Order Verifier won the category Identsystems against all competitors. The award ceremony was held on the first day of CeMAT.
