

Storage & conveying

Our independence ensures innovative, efficient solutions – safety and reliability included!

This is what we stand for:

We create order in the warehouse and in the warehousing process. From robust stacking boxes via container concepts through to complex racking and storage systems: we supply everything from a single source. As a financially independent family company, we stand for the highest levels of product safety.

Our strengths:

Our specialist in-house expertise makes us independent from standard market system solutions. We develop innovative products and made-to-measure solutions that provide our customers with the efficient organisation of their goods for storage and transport. In the field of conveyor systems, we are the leading solutions provider especially in markets such as pharmaceuticals, cosmetics and multimedia.

The benefit to you:

Our range assures our customers of short, direct routes to products and solutions. Our expertise provides these customers with made-to-measure, innovative project implementations. Our comprehensive network of branches and our worldwide presence ensures that we are always on hand, around the globe.
